

4th International Symposium in memory of Stefan Vogel

November 2022 at the Technische University of Darmstadt

A photograph of a garden pond. The pond is filled with water and surrounded by tall, green reeds and grasses. In the foreground, there are some purple flowers. The background is a dense forest of tall trees. The text is overlaid on the lower part of the image.

4th International Symposium in memory of Stefan Vogel
November 19–20, 2022: Ecology and Evolution of Flowers
